Far From Perfect

EXT. RESIDENTIAL STREET

ADAM ABRAHAM, a wealthy and powerful villain, is pacing the streets of Westmount with SMART ALEX, a scrawny and dry-witted young henchman.

ADAM ABRAHAM

Did you ever wonder what life's all about.

SMART ALEX

(shrugs) I'm not the one with the magic naming tongue.

ADAM ABRAHAM

So I can change anything's nature just by renaming it. My girlfriend may be Perfect,

Still image of PERFECT, a gorgeous woman in a French Maid's Outfit, eager to please.

ADAM ABRAHAM (CONT'D)

but that doesn't mean I have any idea what everything's for.

SMART ALEX

It's gotta mean something? Come on! You turned The Lowlander

THE LOWLANDER, a tall muscular man with a lantern jaw dressed in a black trenchcoat, shakes a fist at the camera.

into the Ballerina.

THE BALLERINA does a pirouette.

ADAM ABRAHAM

Yeah, good times . . .

SMART ALEX

You've just got it too easy.

ADAM ABRAHAM

(stops). That's it! Smart Alex, I'd call you a genius but you might take over the world. Let's go!

SMART ALEX

Where to?

ADAM ABRAHAM

Back home, to my Average Apartment.

A still image of Adam's Westmount mansion goes \*poof\*, replaced by a Montreal apartment building.

EXT. MONTREAL APT. BUILDING

SMART ALEX

What?!

ADAM ABRAHAM

Shhh! Joanne is waiting.

A still image of Perfect goes \*poof\*, replaced by JOANNE LEFEBRE, looking disgruntled.

INT. LIVING ROOM

Joanne is touching the walls as if to verify it's all real.

JOANNE LEFEBRE

(grabbing Alex's lapels) Adam  
Abraham! . . . What did you do?

ADAM ABRAHAM

(tries to kiss her. Fails)  
Oh, I \*really\* missed break-up sex  
. . .

Joanne slaps Adam

ADAM ABRAHAM (CONT'D)

(singing:) Listen, my love, I know  
I've disappointed you-

JOANNE LEFEBRE

You think?

ADAM ABRAHAM

I was seduced by power, but all of  
that has changed. I've come to  
understand that I had been  
deranged. Now I'm giving up my  
powers, I'll no longer be that man.  
What do you think?

JOANNE LEFEBRE

I think I understand. (begins  
singing too) You're a jerk! You  
don't deserve me. I was there for  
you before you changed, back when I  
was free. And now you want me there  
for you when you rearrange.

(MORE)

JOANNE LEFEBRE (CONT'D)

Lover, better think some more -  
that's pretty much deranged.

ADAM ABRAHAM

But you will

SMART ALEX

Oh yes, she will

JOANNE LEFEBRE

Yes, I will stay with you  
regardless, even though I've had my  
fill.

ADAM ABRAHAM

Because you love me, even  
though I am a jerk. And now  
that we have sung this song,  
we better choose to get  
along! Because, no matter  
what I'm still \*your\* jerk.

JOANNE LEFEBRE

Because I love you, even  
though you are a jerk. And  
now that we have sung this  
song, I suppose we need to  
get along! Because, no matter  
what you're still \*my\* jerk.

(song ends)

SMART ALEX

(brings out cigarettes) Was it good  
for you?

ADAM ABRAHAM

Since I can change other people,  
I've decided to try changing  
myself. I could be "Destructo".

A clip of Adam dressed as a dark, brutish Conan-like warrior.

JOANNE LEFEBRE

I like "Typhoid Mary".

Adam wearing a matted gray wig and a terrible sackcloth gown.

SMART ALEX

How 'bout "The Thespian?"

Adam dressed up as Shakespeare.

ADAM ABRAHAM

I hate-ith iambic pentameter.

JOANNE LEFEBRE

Or you could be The Mirror Man, or  
Lycanthrope, Swiss Army Knife!

SMART ALEX  
Explodio, or Alcatraz!

JOANNE LEFEBRE  
The Quark - he's smaller than the  
Atom . . . .

ADAM ABRAHAM  
What I really need is somehow, to  
be, free, like others, for  
discovery.

JOANNE LEFEBRE  
To know, for sure, that every day's  
a new day.

SMART ALEX  
(to Joanne) You two are heading for  
catastrophe.

ADAM ABRAHAM  
That's it! I am Catastropus,

ADAM is suddenly CATASTROPHUS, LORD OF CHAOS.

CATASTROPHUS  
Lord of Chaos! All will bow in  
homage to my uncertain magnitude!  
Randomness burns in my veins.

JOANNE LEFEBRE  
What did you do?

CATASTROPHUS  
I am misrule.

JOANNE LEFEBRE  
You're insane. (spoken:) You're  
not my boyfriend!

Joanne storms out - and Canadian Tyr storms in.

THE LOWLANDER  
I have returned, villain!

Catastrophus takes a look at Canadian Tyr, squeaks, runs for  
the back door. It sounds like the apartment is falling down.

EXT. DARK ALLEYWAY

THE LOWLANDER  
Come back here, nemesis!

He races past Catastrophus and Smart Alex, hiding behind a dumpster. The apartment building is definitely collapsing.

CATASTROPHUS

This is a bit more randomness than  
I was hoping for.

FADE OUT
